### ***Perfect Quality Award***

**Fairhaven, MA, July 20, 2015**

Nye Lubricants, Inc. is honored to be the recipient of the Nexteer Automotive ***Perfect Quality Award for 2014***. Nexteer, a global leader in advanced steering and driveline systems, is a valued customer of Nye. We are thrilled to be recognized for setting the standard of exceptional quality performance among Nexteer's supplier community.

Nye's Automotive Industry Manager, Erik Reis said, "The entire Nye team is honored to receive this award from such a respected company in the automotive industry. We look forward to continuing our relationship as a dedicated supplier to Nexteer as they expand operations into the future."

Nye Lubricants, Inc. is a privately held formulator and manufacturer of high-quality synthetic oils, greases, specialty fluids, and index-matching optical gels. Founded in 1844, Nye services customers in a broad range of industries including the top 25 global automotive parts suppliers, the world's largest aerospace and defense contractors, name-brand appliance and power tool companies, preeminent medical device manufacturers, and several leading in-vacuum equipment producers. With 170 employees and 28 International Channel Partners on six continents, Nye is in business to redefine superior product performance, leveraging its technology, engineering expertise, and core competencies in synthetic lubricants to its customers' enduring benefit.
